Self-Assessment

Register by February 20 to be eligible to participate in the **Review in Geriatric Psychiatry Self-Assessment Program** as part of the Review Course. Pre-registrants will receive a pre-test via email, which must be completed before attendance at the course. Upon successful completion of the pre-test and attendance at the course, participants will earn a total of 10.5 hours of self-assessment CME. The American Board of Psychiatry and Neurology has reviewed the Review in Geriatric Psychiatry Self-Assessment Program and has approved this program as part of a comprehensive self-assessment program, which is mandated by the ABMS as a necessary component of Maintenance of Certification.
