AAGP Session Recordings

Complete your meeting experience online. With the AAGP Live Learning Center, you can catch up on sessions you missed and earn additional CME throughout the year.

- Online tests so you can quickly and easily earn your credits and print certificates to document your credits earned. CME will be available for one year.
- Up to 50 hours of recordings. See back for list of sessions to be recorded. Final content is dependent upon faculty permission to record and availability of material.
- Accessible to you 24/7 via the Internet in Streaming Media Format or for download—even to your MP3 player.
- Audio synchronized to the PowerPoint presentations to provide you with a true multimedia experience.
- Additional features: User notes, online handouts, and the MP3 files for download

Special attendee on-site price of $199!
Prices increase after the conference.

To order onsite: Order at the AAGP registration desk.

To order post-conference: Visit www.softconference.com/aagp to place your order. Prices increase post-conference to $229 for 2014 Annual Meeting attendees.
The Live Learning Center will contain the following sessions*:
